

## Tobacco Culture.

A telegram from Washington says:—Spencer Bates, ex-Consul at Singapore, is making an effort to introduce the cultivation of Sumatra tobacco in the United States in view of the price it commands and its superiority for wrappers. In a report to the State Department he says that this tobacco is suitable for growing in Lower California and on the southern coast of the United States. Consequently he had addressed himself to the task of procuring seed, and finding it impossible to obtain this through official channels, owing to the reluctance of the Dutch planters, he has procured a supply from private sources and will forward it to the Agricultural Department. His report gives a complete description of the method of culture. Commissioner Marsden has long been trying to promote the growing of tobacco for wrappers in Hawaii.

## Yales' La Freckla

is Mme. Yale's infallible cure for Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely. The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled. Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles. The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and harmful to the skin, none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla. Price \$1 at drug stores, or by mail. MME. M. YALE. Health and Beauty Specialist, 146 State St., Chicago. Beauty Guide, mailed free.
